Best Sandcastle

and

“Err ... what is it?”

E-mail to enter:

colchester@danielconnal.co.uk

Is it a boat? Is it a plane?

Err ... what is it???

Our theme this year is

Transport

Join us for a fun afternoon of team building, bragging rights and beer!

- Maximum group of five (ish) people per team. Free cost and CDM 2015 advice will be provided by DCP.
- Entries must be built using only sand, water, shells and other natural materials found on the beach that day.
- Hand tools and forms of any sort may be used in the construction process but in no way support the final sculpture.
- No power tools are allowed & sabotage strictly forbidden.
- Maximum size of sculpture to be no bigger in area than 10m².
- Individual entries very welcome, we will put you in a team.
- The Competition judging will naturally be unbiased, impartial, independent and totally fair(!).

	Marking Criteria	Possible Marks
1	Quality of design and innovation	50
2	Value for money. Each sandcastle will receive a free cost estimate from DCP	20
3	Sustainability	20
4	Health & Safety and buildability	10
	Total	100
